

**CARD OF THANKS**

Susie (l) arriving at the Yacht Club on a golf cart driven by Gwynn Shaw, for her surprise Retirement Party.

It is almost impossible for one to know where to begin.

On Friday, the 29th of April, 2011, I retired after 42 years of work at Alderwood. I went from the first Alderwood to the second, and was fortunate to make it to the new one. I was so fortunate, as well, to have worked with so many wonderful people.

I was in for a real surprise as I was leaving on Friday. When I came out of the building, my co-workers, along with many other folks, were assembled on the horizon. Cameras flashed, and cheering & shouting were all around me. I was taken, in a golf cart, down through town, along Water Street and back to the Legion for a party!

I was overwhelmed by this and want to thank all those involved in the planning. My heart and mind were so deeply touched by it all.

I know a mere thank you is so inadequate, but I truly appreciate it all. God bless you.

*Love, Susie MacPhee*

Guess who will be 60 on May 25th?  
**BOY, HE LOOKS GOOD!**

**Library Hours**

**PUBLIC NOTICE Boaters Using Middle River**

UINR—Unama'ki Institute of Natural Resources wishes to inform the public to exercise caution when using the **Middle River** for recreational boating purposes between April 20 and June 24, 2011.

UINR will be installing a Rotary Screw Trap (smolt wheel) on Middle River at approximately 46° 05' 49.8N, 60 55' 18.8W to catch Atlantic salmon smolts to estimate their abundance and monitor fish populations. This wheel is noticeable by warning signs and safety markers. Boaters are advised to watch for this device when setting out on the river, especially at night or during conditions that reduce visibility.
